

## **Strap Clip for ID Cards**

**Price: \$0.35**

Special Discounts for Multiple Purchase

**Manufacturer:**

### **Description**

The raised snap head fits snugly through a slotted ID card. So even if the snap is not snapped, the card will catch on the snap head instead of falling off.

Larger 7/16" diameter snaps stay closed more securely than the 3/8" diameter snaps used on regular strap clips. So the larger snaps are used on all our strap clips with the exception of the SC505-A economy model.
