## Description

The Amano PIX-25 electronic time recorder automatically synchronizes to the NIST (National Institute of Standards and Technology) Atomic Clock via wireless radio signals. The PIX-25 also automatically adjusts for Daylight Saving Time while providing the benefits of an economical payroll recorder and time & date stamp functionality.

Both an electronic cost and payroll unit as well as a time and date stamping machine, the Amano PIX25 is an economical, automatic side printer that uses 10 different notations.

### Benefits of the Amano Pix -25

- ✓ Replaces manual time sheets, eliminating costly errors
- ✓ Accurate time recording for smaller groups of employees
